～Self-Introduction of Rafika from Indonesia～

Hello!

My name is Rafika, I am from Jakarta, Indonesia.

I am now 11 years old, and my birthday is on 10th August.

I am so happy if I could help people, and that's why my biggest dream is to become a doctor.

So, I can help a lot of people.

I like listening to music because it's relaxing me.

Besides that, I love dancing particularly Indonesian traditional dance.

That's all about me.

Thank you, Bye!
