

マレーシアの Syaza さんの自己紹介
~Self-Introduction of Syaza from Malaysia~

Hello. My name is Syaza and I will be 12 years old this year.

I live in Putrajaya, Malaysia.

In my free time, I enjoy drawing and playing video games.

I'm Grade 2 ABRSM in piano, and can play very well.

Occasionally, I love to spend my time swimming on weekends.

I have represented my school in a swimming competition.

When I grow up, I want to be a musician, so everyone can enjoy my music.

I have a younger brother named Aydin. He is six years old.

I love Japanese food. Cold soba and sashimi are my favorite.

I have a pet cat named Peaches. We named her after the Princess in Super Mario.

That's all for today. Goodbye!

APCC for education
